Send. Sojourn. Supply.

God blesses us constantly with opportunities to serve in many capacities. As we read through scripture, we learn of several ways He calls us to serve.

Some are called to send. We should all know the joy of encouraging someone to enter in the world of evangelism in another city or perhaps country. If we don't know this joy, we need to make a habit of encouraging others to go where they are called and where we may not be able to go ourselves.

There are also those who are called to sojourn. These are the people we are sending to the field. It is always a blessing to meet and visit with mission minded people, especially those who have served as missionaries in other cultures and countries. As a ministry, we are blessed to work with men like Tony Fernandez and Bruno Valle who have spent their lives working in the countries in Central America.

There is also the task of supplying the needs of those who have decided to sojourn. In Philippians 4:19, Paul says, "I know my God will supply all your needs according to His glory and riches in Christ Jesus."

So, we ask you now: Can you send someone? Encourage a missionary. Can you sojourn with us? Join us in June on our trip! Can you supply the needs of those we serve?

As June approaches, we need your help again to supply the needs of our efforts to help the people of Honduras. This month, we challenge you to consider doubling your contribution one time so we can share Jesus in a very tangible way as we provide the resources in the list on the right column to those we serve in Honduras.

May God bless you in the richest of ways as we serve the Kingdom together and make Heaven just a little more crowded! We love and appreciate you!
