

# HERALD OF TRUTH

## SHARING THE STORY OF JESUS

October Newsletter

### The Cost of Greatness

When you think of the most valuable, tangible thing you own, what comes to mind? Is there a specific asset you have that you treasure above others? Obviously, if we consider our spiritual life, the answer to this question is simple and more obvious. Our salvation is the greatest gift we have ever received. What makes it great? The cost. Nothing has ever existed that has more value than the blood of Jesus. It was the cost of our salvation and nothing else could have ever paid this price.

God has determined that each of us are great enough to receive salvation, even at the cost of His own Son. You are more valuable than you know! As we share the story of Jesus with others, this is the simple message they need to hear. You are valuable, not because we say so or someone else says so but because God says so. The reason we share the story is because we believe this to be true also!

As 2025 draws to a close and giving season is upon us, we want to thank you for your sacrifice in supporting the Herald of Truth as we reach so many souls around the U.S. and the world with the greatest story ever told. As you see the pictures and details from this year, we ask you to continue supporting these efforts and help us to reach our year end goals so we kick off 2026 with explosive Kingdom growth! May God bless you in great ways!

### MESA

It looks like God has much bigger plans than we could have dreamed up! Check out page 3 to see how God is not only growing the church in number but also in leadership at the Green Bank Church of Christ in Delaware!

## Board Report

Rosemary Snodgrass served on the board of directors for the Herald of Truth from 2022 until her untimely passing in July. During her time of service to the ministry, she offered valuable insight at every opportunity and also spent some time in Honduras on our annual mission trip in June of 2024.

Her presence and wisdom will be greatly missed. As we honor those who have been great assets to the Kingdom, we are mindful of leadership, excellence and commitment. Rosemary and her husband Don are people of such qualities and we are grateful for their kingdom work. In June 2026, the family will honor Rosemary by building a house in Santa Ana, Honduras and we will also be naming the girl's dorm on our property after her as well. We would love for you to join us if you are able! May God be glorified in all we do!

What a year it has been! The board of directors has grown in many ways this year but has also experienced great loss at the same time. We recently lost a great servant and member of our board when Rosemary Snodgrass received her eternal reward a few months ago. What a blessing she was to so many and especially our ministry!

In the spring, six new board members were added and have had a tremendous impact already. Dr. Hayden Hall, one of the new additions and also one of the youngest board members in the history of the ministry has been a great asset to the medical work through the church that we are doing in Honduras. His wife Carmen has also joined the board and is a native of Honduras.

Also joining the board is Chrys Howard, Tom Conklin, Dr. Howard Rupard and Chip Bennett who had previously served in years past.

At our annual meeting in TN, all of the board members went through extensive leadership training and planning for the future of the ministry. After many hours together, a new vision and mission were established and we are now laser focused on the work God has set before us.

As you have seen and heard, we have three main areas of focus: MESA, Honduras and Cuba. God has been multiplying His church in all of these efforts. With a well equipped staff and faith that is increasing daily, the task before us has never been more relevant and exciting.

Join us in praying for our board, our staff and all of those we will reach out to as we share the story of Jesus in our communities and around the world!

When you are looking to start a Spanish ministry, when you need a Spanish speaking or bilingual preacher, when you need resources for growing your presence in your local community, who are you going to call?

Well, you aren't going to call the Ghost Busters! The Herald of Truth is becoming the place you call any time you need help with Spanish speaking outreach and we are thrilled to see how God continues to use this ministry to grow His Kingdom all over the U.S.

In the last 2 years, we have been blessed to find 4 preachers a job in a Spanish speaking ministry because of MESA. Some have moved across the country and some just across a state. God is constantly showing us the power of one of His greatest assets, His church, the network of Christians who have the same aim: Share the story of Jesus.

One of our MESA churches in Delaware is seeing an incredible revival. Led by Domingo Reyes, the church is growing like never before at the Green Bank Church of Christ. In addition to several baptisms, the first Hispanic elder was installed in the history of their church in 2025! Let's all pray for the growth of the Kingdom through all of these efforts!

## International Ministry

God continues to bless the international ministry of Herald of Truth. Check out our updated website at [www.heraldoftruth.org](http://www.heraldoftruth.org) and follow us on social media to see the full updates of all God has done and will do!

In March, we celebrated 30 years of work with Tony and encouraged the church in Matanzas. There were 11 baptisms while we were there and there have been so many more since then. Pray for the continued growth of the church in Cuba. We will be back in the spring of 2026 to help with new farming techniques that will bless the church with even more ways to connect and help the church and local communities in such a difficult time!

In Honduras, we were able to build 3 houses, add 2 rooms to a church building that is also used as a school during the week. Our medical team was able to see over 300 patients in 3 days! Because of your generosity, we were also able to put beds in each of the houses we built, provide 2 week supply bags of food and water filters for 100 families and every home received as many Bibles as they needed. Several baptisms resulted from our trip.

Tony Fernandez, Herald of Truth representative in Cuba, organized and directed the 24th National Youth Camp in Matanzas, Cuba, from July 10-14. Approximately 300 young people from across the island traveled to the event, coming by train, bus, and even hitch hiking. Tim Archer was the main speaker for the event. On Sunday, July 14, during the worship service of the Versalles Church of Christ in Matanzas, ten people were baptized into Christ, including a number of the young people from the conference.

## Finish Strong

As 2025 comes to a close, we ask that you prayerfully consider helping us finish strong. You will never know what a monumental impact God is having through this ministry because of your generosity. Our goal for the end of the year is to raise \$200,000 which will fund 40 of our MESA churches. Can you or your congregation help with the cost of one or two of these churches? Let's finish strong as we welcome 2026!
