

HERALD OF TRUTH
SHARING THE STORY OF JESUS

JANUARY 2026 NEWSLETTER

GOD WANTS YOU!

Have you ever been on a mission trip?

Is 2026 the year for you? As a ministry, one of our priorities has been to help others get actively involved in sharing the story of Jesus wherever they are. There is a growing need for short term trips to help evangelize in areas that are remote and destitute.

Honduras has opened many doors for us to participate in the gospel in very tangible ways. While building houses, providing food, clothes, medicine and clean water can be life changing, sitting down with those we are helping and sharing the gospel is the most important component of any trip we go on.

We want you to join our next trip so much that we put this on the front page of the newsletter! Can you come with us in May or June on a trip to Santa Ana, Honduras this year?

For more details, please visit this page on our website:

Helping to change the temporary circumstances of those living in Honduras often leads to changing their eternal destination and nothing brings our Father more joy than to see His will be done on earth as it is in Heaven.

CHECKERS AND CHESS

For the last three years, God has opened more doors for evangelism than ever before. We have seen this especially in our Spanish-speaking outreach in Cuba, Honduras and now in the U.S.

We have long prayed for God to supply opportunities for us to reach people with the gospel and He has never failed, even when we didn't take advantage of His generosity. As you will see in the pictures and articles, God is continuing to provide ways to get the story of Jesus to more people.

The last few decades have had a big focus on reaching the lost outside of the U.S. through mission work and there continues to be a great need to carry out this mission. This is why we continue to work in Cuba and Honduras. The growing need to reach the lost in the U.S. has sparked in us a desire to reach our neighbors also.

When MESA began in 2023, we asked God to put us in contact with the right people to establish or enhance five Spanish-speaking ministries. At the end of the year, there were five ministries we were involved with and we met the goal we had set.

In 2024, we thought five more would be a good goal but God had other plans. The number rose to 45 by the end of 2024. Now, as we embrace the beginning of 2026, there are more than 100 churches that God has put us in contact with! The harvest is plentiful and there is much work to do. Why do we so often underestimate God?

While we are playing checkers, He is playing chess. His ways and His wisdom are higher than ours. Join us in trusting God who is able to do exceedingly more than we can ask or imagine. We are able because He is able! Let's make 2026 the best year yet!

GROWING INTEREST IN INTERNSHIPS

Last year, we began offering two different kinds of internships: International Medical Internships and domestic internships at our MESA churches.

Because of the experiences of our interns, there has been much more interest in the universities for more students to work with us through medicine and ministry to share the story of Jesus in the U.S. and Honduras. Our stateside MESA interns receive \$1,000/month for 2-3 months as they serve a MESA congregation here in the U.S.

We would love for you, your family, and your congregation to consider sponsoring one of these interns as we help develop the next generation into servants of the Kingdom!

INTERNATIONAL MINISTRY

Tony continues to work tirelessly to supply the needs of those who are affected spiritually and physically by the evil that is at work in our world. The new van has been a huge blessing to Tony and the church as so many have been helped by the new ability to transport more people and resources to where they are needed most.

Check out the video in the QR code below for a full update on the last few months of the work in Cuba. May God bless you in the richest of ways for your generosity toward these efforts!

PARTNER WITH US!

With 2026 underway, we are already making plans to work with more people to help us share the story of Jesus across the U.S. and Central America! Don't let the giving season end in December.

Through prayer, giving, or involvement, there's a place for you in what God is doing. We still need more people to help in our three growing areas of ministry.

Could you or your church supply the needs of:

- **250 Bibles for Cuba** - \$1,000
- **2 month MESA internship** - \$2,000
- **1 house in Honduras this summer** - \$3,000
- **1 MESA church plant/enhancement** - \$5,000

May God bless you in the richest of ways as you continue blessing others!
